HITS
SCHOOL OF
MANAGEMENT

"At Hindustan, we believe that forward-thinking leaders with the entrepreneurial mindset is needed to build, innovate, and lead in a dynamic world."

In an era of rapid business evolution, Hindustan Institute of Technology and Science (HITS) has redefined management education through its School of Management (SOM), established in 1994. With a legacy spanning over three decades, SOM has evolved into a powerhouse of innovative pedagogy, blending academic rigor with real-world application.

The school's strategic partnerships with industry giants and international institutions ensure graduates are not just employable but transformative leaders in a dynamic global economy. SOM has meticulously designed the curriculum with industry input to foster outcome-based, interdisciplinary learning with specializations in emerging domains like Business Analytics, Entrepreneurship, Retail & Franchise, Aviation, Hospital Management, Logistics, Sports, and Tourism Management.

The curriculum helps students gain global perspectives through semester abroad and summer programs at renowned partner universities. Pedagogical excellence is evident in simulation-based business learning, alongside industry-integrated programs with IBM, Logistics Sector Skill Council, and leading hospitals etc. Collaborations with professional bodies like MMA, NHRD Network, Aeronautical Society of India, CII, FICCI and TiE Chennai facilitate expert interactions, workshops, and networking.

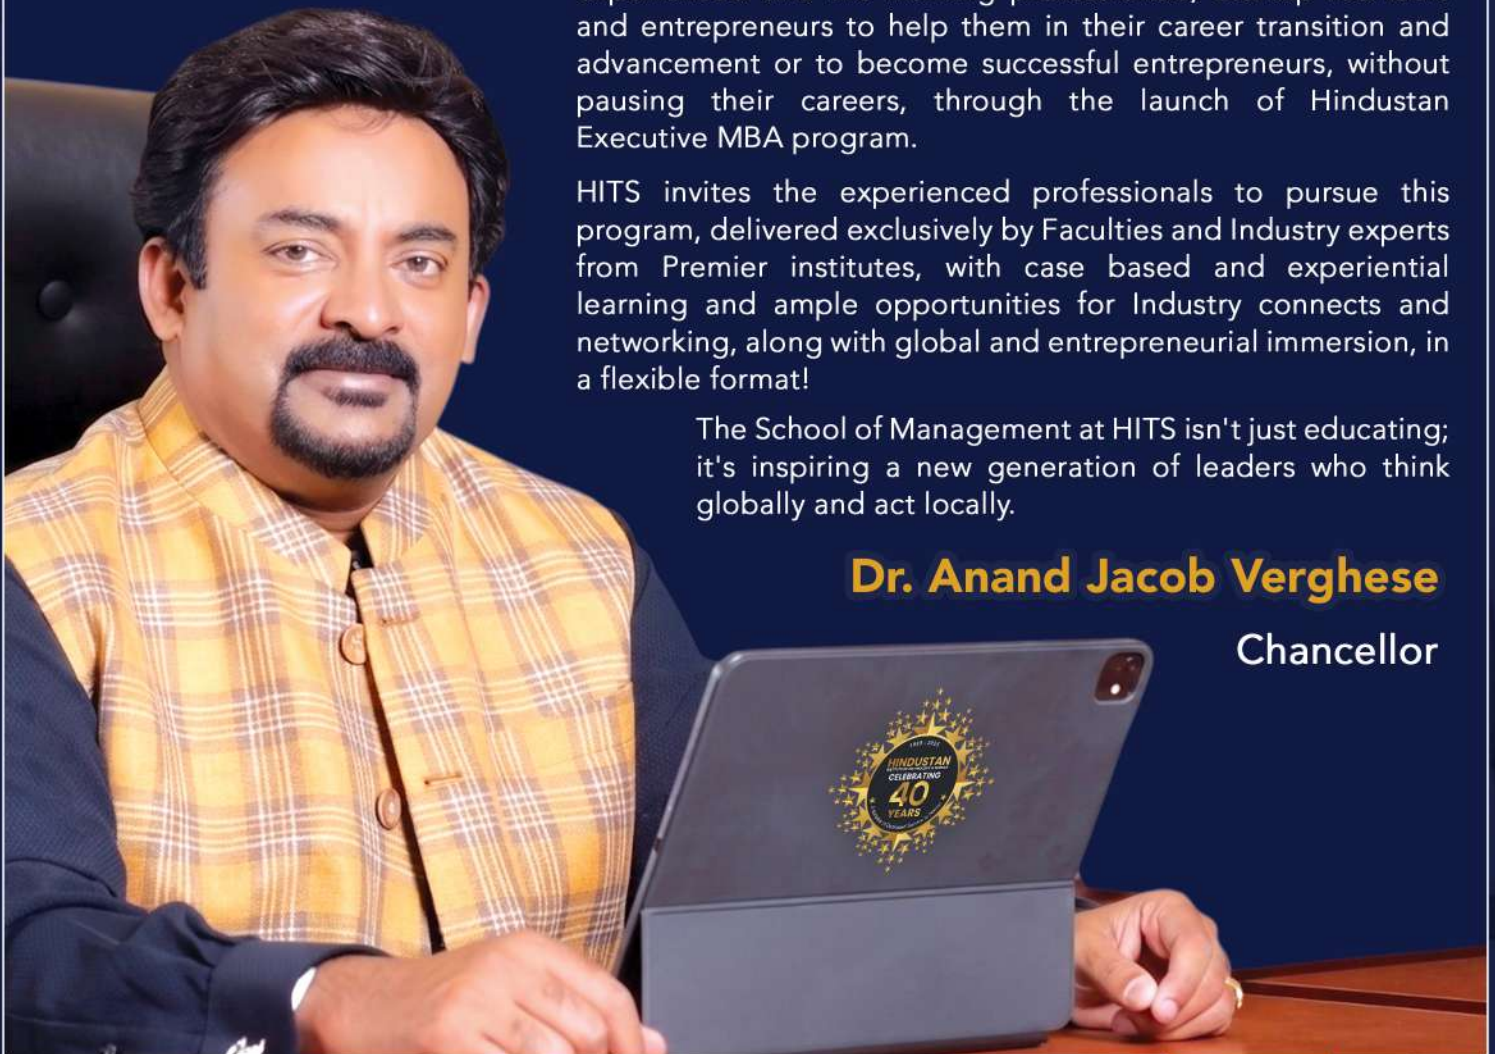

SOM has shown its continued commitment in supporting the experienced and the working professionals, Startup founders and entrepreneurs to help them in their career transition and advancement or to become successful entrepreneurs, without pausing their careers, through the launch of Hindustan Executive MBA program.

HITS invites the experienced professionals to pursue this program, delivered exclusively by Faculties and Industry experts from Premier institutes, with case based and experiential learning and ample opportunities for Industry connects and networking, along with global and entrepreneurial immersion, in a flexible format!

The School of Management at HITS isn't just educating; it's inspiring a new generation of leaders who think globally and act locally.
