Executive Director

Dr. S. N. Sridhara
Vice Chancellor

Dr. R. W. Alexander Jesudasan
Pro Vice Chancellor

The Hindustan Group of Institutions, a renowned name in education, orchestrated the K.C.G. Verghese Charitable Foundation Flood Relief Camp on December 22, 2023, at 3 p.m., hosted at HITS Bay Range Campus in Chennai. Established in memory of our esteemed Founder-Chairman, Late Dr. K.C.G. Verghese, the foundation aims to positively impact lives through funding and supporting noble causes. This time, the focus was on aiding the millions affected by Cyclone Michaung-induced floods in Chennai.

Inauguration of the Relief Camp by Mr..S.S.Balaji, MLA , Thirupporur.

Dr. S. S. Balaji, Member of the Legislative Assembly, Thirupporur, graced the occasion as the chief guest. Commending the Hindustan Group's exemplary support for community development and humanitarian aid, Dr. S. S. Balaji acknowledged their efforts.

Mrs. KAS Thara Sudhakar, President of Padur Panchayat, honored the event as the guest of honor. The gathering included top management figures like Chancellor Dr. Anand Jacob Verghese, Founder Chancellor Dr. (Mrs.) Elizabeth Verghese, and Pro Chancellor Mr. Ashok Verghese.

Cyclone Michaung wreaked havoc, particularly affecting Chennai, submerging neighborhoods and causing significant property damage and loss of lives. Even now, Chennai struggles to recover. In response, HGI plans to distribute 50 tons of rice among 10,000 families in Padur and Karapakkam areas.

This initiative aims to alleviate immediate hardships, preventing long-term repercussions for affected families. Additionally, the NCC and NSS units of Hindustan Group collaborated with KCG fashion bank, providing essential clothing to flood-impacted individuals.

Chancellor Dr. Anand Jacob Verghese, deeply moved by the devastation, highlighted the foundation's commitment to ensuring equal access to education, social equality, and economic opportunities. Emphasizing community strength, the foundation tackles societal and economic challenges, propelling meaningful progress.

Pro Chancellor Mr. Ashok Verghese underscored the students' significant efforts in aiding those in need. He stressed the importance of nurturing socially responsible individuals to drive societal development. The NCC and NSS wings of HITS consistently engage in outreach activities, supporting vulnerable populations during crises and striving to enhance stability and livelihoods.
