

International Conference on Integration and Transformation with SDGs ICITS 2024

Date: **15 & 16 April, 2024** Venue: **Bay Range Campus, Chennai**

About Conference

Sustainable Development Goals (SDGs) represent a global endeavor aimed at alleviating poverty, preserving the environment and creating opportunities for individuals worldwide. India has wholeheartedly embraced this initiative, endorsing the 17 Goals of United Nations alongside 169 targets, establishing them as the fundamental transformative agenda for sustainable planetary development. There is a strong need to mobilize a variety of stakeholders, including young people, civic society, the media, the commercial sector, academia and others.

Hindustan Institute of Technology and Science (HITS) is organising an International Conference on SDGs (ICITS 2024) in response to this necessity. ICITS 2024 is an essential platform for defining and reaffirming the mutually beneficial responsibilities that National and International academia, research scholars, students and industry play in realizing the SDGs by 2030. This conference will jointly design strategies, harness new solutions and create collaborations to enable the unstoppable movement essential for sustainable development.

Theme of the Conference

The Conference provides a platform for the participants for insightful deliberation and present their research paper / posters / exhibit the models / prototype designs etc.

- Additive Manufacturing
- Artificial Intelligence & Robotics
- Bio Diversity
- Bio Informatics
- Bio Mechanics
- Clean and Green Energy
- Computational Modelling & Simulations
- Data Analytics & Business Intelligence
- Digital Marketing
- Eco Fashion
- Environment Management
- Food Security
- Forest & Agricultural Land
- Gender Equality & Intersecting Inequalities
- Green Economy
- Human Computer Interaction
- Inclusive Cities
- Industrial Innovation
- Machine Learning & Cyber Security
- Marine Ecosystem
- Nano Technology
- Poverty Eradication
- Quality Education
- Sensor & Remote control
- Smart grid & Energy Sustainability
- Smart Materials
- Spacecraft Engineering & Aircraft Propulsion
- Structures and Aero dynamics
- Wealthy Lifestyle

Abstract Submission

- The size of the abstract (excluding the title, author names and affiliations) should not exceed 300 words.
- Abstracts should be of non-published and original work.
- All abstracts must be submitted in the Google Form only.
- All accepted abstracts will be published in the conference proceedings with ISBN number.

Registration Fee [PAPER | POSTER | MODEL]

Category	Till 15.03.2024		After 15.03.2024	
	INR	USD	INR	USD
Students	1500	50	2000	75
Research Scholars / Academicians	2000	75	2500	100
Professional	5000	150	7000	200

Important Dates

Abstract Submission	: 26.02.2024
Intimation of Acceptance	: 02.03.2024
Full Paper Submission / Early Bird Registration	: 15.03.2024
Last Date of Registration	: 25.03.2024

Publications

All the selected papers after the Peer Review Process will be published in the Scopus Indexed Proceedings / Journals with Article Processing Charges (APC)

Award Category

- Best Paper
- Best Model
- Best Poster
