“The best way to find yourself is to lose yourself in the service of others.”

“Not all heroes wear capes; some simply choose to serve.”

ABOUT NSS SPECIAL CAMP'26

The NSS Special Camp, a nine-day community service initiative, was successfully organized at Arungundram Village from 22nd August to 30th August 2026 by the NSS Cell of Hindustan Institute of Technology and Science (HITS). The camp was conducted with the objective of promoting community service, social responsibility and sustainable rural development through active student participation.

The camp was organized in alignment with the Revamped Rashtriya Gram Swaraj Abhiyan (RGSA) and the Unnat Bharat Abhiyan (UBA) initiatives, in collaboration with the State Institute of Rural Development and Panchayat Raj (SIRD & PR). HITS has adopted Arungundram Village under these initiatives to facilitate meaningful community engagement and contribute to the overall development and well-being of the rural community.

The nine-day camp brought together NSS volunteers who stayed in the village and actively engaged with the local community. The volunteers undertook a variety of activities covering education, cleanliness, healthcare, women's awareness, environmental protection, social awareness and community development.

Inauguration of the Camp

The NSS Special Camp was inaugurated at HITS and subsequently at Arungundram Village. The village-level inauguration was held in the presence of Mr. A. R. Anbarasu, President, Arungundram Village, along with the village ward members and local representatives. The inauguration marked the beginning of nine days of intensive community service by the NSS volunteers.

Cleanliness, Beautification and School Development

As part of the camp, NSS volunteers carried out extensive cleanliness and beautification activities in Arungundram Village. The volunteers participated in cleaning public spaces and creating awareness among the residents on maintaining a clean and healthy environment.

The volunteers also undertook cleaning and painting activities at the Government School, contributing to the improvement and beautification of the school environment. These activities encouraged students and residents to understand the importance of cleanliness, hygiene and community participation.

ABOUT NSS SPECIAL CAMP'26

A detailed village survey was conducted by the NSS volunteers to understand the socio-economic conditions, basic needs and challenges faced by the residents. The survey covered Arungundram and surrounding habitations, including Mannavadi, Amaiyambattu and Melganagampattu.

The interaction with the villagers helped the volunteers understand local issues and identify areas where future community development interventions could be undertaken.

Healthcare Initiatives

Healthcare services formed an important component of the NSS Special Camp. Specialized healthcare camps were organized in collaboration with various institutions and government departments to provide accessible services to the rural community.

Dental Camp:

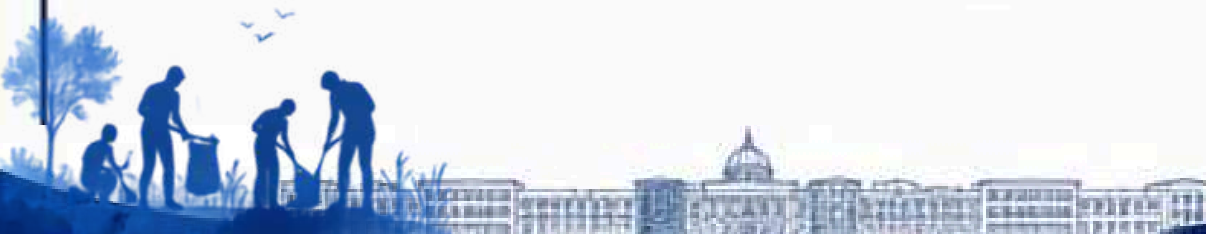

A dental camp was organized in collaboration with Ragaas Dental College, where more than 100 patients were screened and provided with dental consultation and basic care. The camp also created awareness about oral hygiene and the importance of regular dental check-ups.

Eye Screening Camp:

An eye screening camp was conducted in collaboration with Pammal Sankara Eye Hospital. More than 100 patients were examined, and 20 individuals were identified for cataract surgery at free of cost. In addition, 20 reading glasses will be provided free of cost to identified beneficiaries.

Physiotherapy Camp:

A physiotherapy camp was organized for the benefit of the villagers. More than 120 patients received physiotherapy assessment, consultation and guidance. The camp helped create awareness about physical health, mobility and appropriate physiotherapy practices.

ABOUT NSS SPECIAL CAMP'26

Veterinary Camp:

A veterinary health camp was conducted in collaboration with the Government Veterinary Hospital. More than 100 animals were examined and treated, providing essential veterinary care to the livestock and pets of the rural community.

Women's Self-Awareness Programme

A special Women's Self-Awareness Programme was organized in collaboration with KCG Fashion Bank. The programme focused on creating awareness among women on self-confidence, personal well-being, dignity, empowerment and social awareness.

The initiative encouraged women to become more informed, confident and active participants in their families and communities. The programme also provided an opportunity for meaningful interaction between the NSS volunteers and women residents of the village.

Awareness and Social Responsibility Activities

The NSS volunteers also conducted various awareness activities focusing on important social issues and responsible citizenship. These programmes were designed to engage the local community, particularly school students and youth, and promote positive social values.

Competitions and awareness activities based on the theme of Drug Awareness were conducted among school students. The activities aimed to educate students about the harmful effects of drug abuse and encourage them to adopt healthy and responsible lifestyles.

Prizes were distributed to the winners and participants, encouraging students to actively engage in awareness-oriented activities.

Student Engagement and Community Participation

The camp provided NSS volunteers with an opportunity to work closely with the residents, school students, local representatives and various service organizations. Through direct community interaction, the students gained practical exposure to rural life, social challenges and the importance of collective action.

The participation of different institutions, healthcare organizations, government departments and social organizations strengthened the impact of the camp and enabled the NSS team to address multiple community needs.

THANK YOU

On behalf of all the student volunteers and faculty members of the NSS Special Camp, we extend our heartfelt gratitude to everyone who supported, encouraged and guided us throughout this nine-day journey at Arungundram Village. The camp was a memorable and enriching experience that enabled our volunteers to understand the true spirit of community service, teamwork, social responsibility and rural development.

We sincerely express our gratitude to the management of Hindustan Institute of Technology and Science (HITS), the Deans, faculty members, NSS officials, the President and ward members of Arungundram Village. We also extend our sincere thanks to the Chief Educational Officer, Chengalpattu, for granting permission to organise the programme at Arungundram Government School, and to the Headmistress for her valuable support, cooperation, and encouragement. Government officials, healthcare professionals, partner organizations and all those who extended their valuable support and cooperation. Their constant encouragement and active participation enabled us to successfully carry out the various activities planned during the camp.

We are particularly grateful to the residents of Arungundram Village for their warm hospitality, cooperation and enthusiastic participation in the cleanliness drives, school activities, healthcare camps, women's self-awareness programme, awareness initiatives and other community development activities.

The NSS Special Camp has strengthened our commitment to serve society and contribute meaningfully towards the Sustainable Development Goals. We return from Arungundram Village with cherished memories, valuable learning experiences and a renewed commitment to the spirit of "Not Me But You." We carry with us the warmth, affection and blessings of the villagers and the satisfaction of having contributed to the well-being and development of the community.
