NSS SPECIAL CAMP

SWACHH BHARATH SUMMER INTERNSHIP CAMP

VENUE: SEMBAKKAM VILLAGE

DATE: 12 AUGUST 2023 TO 19 AUGUST 2023

'NOT ME' :BUT YOU'

Inauguration

The National Service Scheme of Hindustan Institute of Technology and Science (HITS), Chennai, successfully organized a week-long "NSS Special Camp" on the theme of "Swachh Bharat" from August 12, 2023, to August 19, 2023, in Sembakkam Village, near Thirupporur. The inauguration of the camp was graced by the presence of Dr. S. N. Sridhara, Vice Chancellor of HITS.

The central theme of the camp was "Swachh Bharat," aligning with the national movement advocating cleanliness and hygiene throughout the country. The objective of the camp was to spread awareness about the importance of a clean environment and to actively contribute towards making India cleaner and more hygienic.

A dedicated team of 45 enthusiastic students from HITS participated in the 7-day camp. Under the able guidance of Mr. K. Gnanasekaran, these students embarked on a mission to promote cleanliness and hygiene in the Sembakkam Village. The faculty members who played an instrumental role in supporting the camp were Mr. Sarveshwaran, Ms. M. Ramya, and Mrs. Kanpur Rani.

Village Survey

On the 13th of August, the NSS Special Camp at Sembakkam Village, organized by Hindustan Institute of Technology and Science (HITS), Chennai, began with a series of productive activities aimed at community engagement and improvement. The day commenced with a comprehensive village survey to establish a baseline understanding of the local environment and needs. Additionally, plans for upcoming medical camps were introduced to the villagers, fostering a sense of anticipation and participation.

Village Survey and Interaction: The day's activities initiated with a thorough village survey conducted by the NSS team. This survey served as a means to gather essential details directly from the villagers themselves. Engaging with the community allowed the team to comprehend the specific requirements, concerns, and areas that needed attention. It also facilitated the establishment of a rapport with the local residents, fostering a sense of trust and collaboration between the NSS team and the villagers.

Upcoming Medical Camps Announcement: During the interaction, the NSS team also took the opportunity to announce the forthcoming medical camps scheduled to take place in the upcoming days. This announcement aimed to create awareness and excitement within the community about the upcoming healthcare services that would be provided. The proactive dissemination of this information demonstrated the team's dedication to addressing both immediate needs and long-term well-being.

Beach Cleaning Awareness

The NSS Cell of HITS displayed their commitment to environmental stewardship by organizing a beach cleaning awareness camp in Mahabalipuram. This initiative aimed to raise awareness about the importance of maintaining clean public spaces. Students and volunteers collaborated to clean up the beach, collecting litter and debris. The event included an awareness campaign to educate attendees about responsible waste disposal and conservation. By taking part in this effort, participants demonstrated their dedication to making a positive impact on the environment. The event likely fostered a sense of community and responsibility among the volunteers. Through media and documentation, the initiative's message could reach a wider audience. Overall, the beach cleaning camp showcased a proactive approach to environmental preservation.

Wall Painting and School Painting

Following the village survey and interactions, the NSS team embarked on a village cleaning initiative. Understanding the significance of a clean environment in the larger "Swachh Bharat" movement, the team undertook the responsibility of cleaning the village surroundings. This action not only contributed to immediate visual improvements but also acted as a powerful demonstration of the community's commitment to maintaining cleanliness and hygiene.

School Wall Beautification: As part of the cleaning initiative, the team directed their efforts toward the school premises. The team diligently cleaned the school walls in preparation for an upcoming painting project. By taking on this task, the NSS members actively participated in enhancing the aesthetic appeal of the school environment. This initiative reflected a holistic approach to community improvement, addressing both practical cleanliness concerns and the visual aspect of the surroundings.

Anganwadi School Renovation: The day began with the NSS team's concerted efforts to improve the Anganwadi School's infrastructure. Cleaning and painting activities were undertaken to rejuvenate the school's premises. By investing time and effort in sprucing up the school environment, the team aimed to create a more vibrant and conducive space for the young learners. This initiative not only contributed to the aesthetics of the school but also reflected the team's commitment to nurturing a positive learning environment.

Har Gar Thiranga Flag Distribution: Continuing with their day's mission, the NSS team participated in the "Har Gar Thiranga" campaign, symbolizing the widespread display of the national flag. The team embarked on distributing flags to various households within the community. This initiative was designed to instill a sense of patriotism and unity among the residents. By encouraging households to proudly display the tricolor flag, the team aimed to evoke a collective spirit of national pride and identity.

Eye Camp

An extraordinary event unfolded on August 16th as the renowned Shankara Nethralaya Eye Hospital extended its compassionate care to the community. With a commitment to ocular health, the hospital organized a free eye check-up camp that left a lasting impact on over 100 individuals. The camp's significance was further enhanced by the provision of eyeglasses to 12 individuals and the facilitation of free cataract surgeries for 15 individuals in need. The inauguration of this noble endeavor was graced by the presence of Dr. J. W. Alexander Jesudasan, Pro Vice Chancellor.

Dental Camp

In partnership with Ragas Dental College and Hospital, the institute orchestrated a dental camp on August 17th, benefiting over 100 community members. The camp offered free dental check-ups, imparted crucial oral health awareness, and provided complimentary oral care kits, enhancing participants' well-being. This collaborative effort underscored the importance of accessible dental care and preventive practices. The event not only addressed immediate dental needs but also empowered individuals with tools for sustainable oral hygiene. Through partnerships, the institute reaffirmed its commitment to holistic community welfare.

Donation of Green Boards to Govt. School

Veterinary Camp

Building upon its dedication to holistic health initiatives, the institute extended its efforts to encompass the well-being of animals. On August 18th, a notable Veterinary camp was organized in collaboration with the Animal Husbandry Department, Chengalpattu, at Acharapakkam village. The Veterinary camp encompassed a range of services, including health check-ups, vaccinations, medical consultations, and guidance on proper animal care practices. These offerings aimed to empower animal owners with the knowledge and resources necessary to ensure the health and well-being of their livestock and pets.

Traffic Awareness Campaign

Emphasizing the importance of road safety, an insightful campaign was meticulously orchestrated on August 18th, in collaboration with Thiruporur Traffic Police. Dr. Angelin Geetha, Dean of the Engineering and Technology department, inaugurated the campaign. This endeavor aimed to educate and promote responsible road behavior among the local youth, amplifying adherence to road safety regulations.

Fruit Trees Plantation Drive

Hindustan NSS planted 77 fruit-bearing trees, including mango, jackfruit, and guava, in Sembaakkam to emphasize their dedication to environmental conservation. This initiative aims to nurture the local ecosystem while providing nourishment to the community. The diverse tree species enhance biodiversity and contribute to air purification and soil enrichment. The project serves as an educational platform, fostering environmental awareness and sustainable practices. By choosing fruit-bearing trees, Hindustan NSS not only enhances the region's aesthetic but also addresses critical ecological and nutritional needs. This effort underscores their commitment to a greener, more sustainable future.

Competitions for the village students

Hindustan NSS team organized competitions for village students aimed at creating awareness about cleanliness. These engaging activities provided a platform for students to actively learn and participate in discussions about maintaining a clean environment. The competitions encouraged students to showcase their creative talents while instilling the importance of cleanliness practices in their daily lives. Through this initiative, Hindustan NSS sought to cultivate a sense of responsibility and pride in keeping their surroundings clean. By involving village students, the campaign aimed to create a ripple effect of positive behaviors and attitudes towards cleanliness within the community.

Village Sport Meet

In a spirited display of community unity and healthy competition, Hindustan NSS orchestrated a vibrant Village Sports Meet. This event brought together neighboring villages, fostering camaraderie and a shared passion for sports. The meet featured cricket and volleyball tournaments, with 8 teams participating in cricket and 4 teams in volleyball. The event not only celebrated athleticism but also encouraged social interaction and a sense of togetherness among villagers. As a token of recognition for their dedication and performance, prizes and certificates were distributed to the winning teams and outstanding players.

Independence Day Celebrations

Independence Day was joyously celebrated in collaboration with the Government Higher Secondary School in Sembakkam. The event, organized by the NSS Cell of HITS, marked a harmonious occasion of unity and patriotism. RTn. Dr. Pon Ramalingam, an esteemed figure, graced the event as the chief guest, while Mr. S. Saravanan, President of Sembakkam village, adorned the role of the guest of honor. The participation of over 1000 students showcased their enthusiasm for the occasion. The event's theme, "Swachh Bharat," resonated with the nationwide cleanliness drive, emphasizing the importance of a clean and hygienic environment. The day's festivities included a variety of competitions, which saw active student involvement, leading to the distribution of more than 100 prizes. This initiative exemplified the NSS Cell's commitment to instilling a sense of responsibility and social consciousness among students while honoring India's freedom struggle on the historic date of August 15th.

Swachh Bharat Competitions

Panchayat Union Primary School in Sembakkam buzzed with activity as diverse competitions aligned with the theme of "Swachh Bharat" unfolded. Organized by dedicated NSS volunteers, the event aimed to instill a sense of cleanliness and responsibility among the participants. Students eagerly engaged in various contests that creatively conveyed the importance of a cleaner India. These competitions, ranging from art to essay writing, reflected the multifaceted nature of the cleanliness drive. The event's highlight was the prize distribution, carried out by the NSS volunteers themselves, fostering a sense of camaraderie and encouragement. Through this initiative, the NSS volunteers effectively promoted the "Swachh Bharat" mission at the grassroots level, encouraging young minds to become active contributors to a cleaner and healthier nation.

Debate on Patriotism

As an integral facet of the NSS camp's endeavors, an engaging debate competition was orchestrated by the team in collaboration with Tamil Mutram, an ardent Tamil enthusiast. Held within the confines of Sembakkam village, the event served as a platform for thought-provoking discussions. The chosen topic, "Is patriotism stagnating or growing among youngsters today?" sparked an insightful exchange of perspectives. This initiative aimed to stimulate critical thinking and awareness, fostering a deeper understanding of the dynamics of patriotism in contemporary youth. The participation of villagers showcased their keen interest in societal matters. The event's collaborative nature between NSS volunteers and Tamil Mutram showcased the synergy between community stakeholders and local enthusiasts. By providing a constructive forum for open dialogue, the event encouraged the exploration of patriotism's evolution in the younger generation and contributed to community cohesion and awareness.

Physiotherapy Camp

As a notable inclusion in the NSS Special camp, a physiotherapy camp was orchestrated within Sembakkam village. Spearheaded by Dr. P. Karthikeyan, from the Department of Physiotherapy at HITS, the camp aimed to bolster the villagers' health awareness. Dr. Karthikeyan shared invaluable health tips and guided attendees through exercises designed to alleviate pain and enhance well-being. This holistic approach showcased the camp's commitment to community health. In another significant development, Rtn. Prashanth Gireesh was entrusted with the renovation request letter for the Sembakkam village library. The presentation was conducted by Mr. K. Gnanasekaran, the dedicated NSS coordinator, highlighting the collaborative efforts of the NSS team and community stakeholders. Through such initiatives, the NSS Special camp effectively combined health education, community engagement, and infrastructural development, fostering a well-rounded impact on the village.

Clothing Donation

The culmination of the camp was marked by a generous act of kindness: a clothing donation to the residents of Irulor Colony in Sembakkam village. This benevolent gesture was made possible through collaboration between the Fashion Department of HITS and KCG Fashion Bank. The donation aimed to provide essential clothing to those in need, fostering a sense of community support. Simultaneously, a cleansing drive was undertaken at the revered Thirupporur Sivan Temple, situated amidst the hills of Thirupporur. The temple's sacredness was accentuated by the volunteers' commitment to maintaining its pristine environment. This twofold approach, one addressing societal needs and the other tending to a place of worship, highlighted the camp's diverse impact and its alignment with both humanitarian and cultural values. Through these endeavors, the camp managed to bridge the gap between compassion and heritage, leaving a lasting impression on both the village and its sacred spaces.
